

THEY'RE COMING TO SAVE THE WORLD!

MIGHTY MORPHIN POWER RANGERS

**MIGHTY MORPHIN
POWER RANGERS**

Saban's Mighty Morphin Power Rangers is the continuing saga of five extraordinary teenagers united to battle an intergalactic sorceress named Rita Repulsa who will stop at nothing in her attempt to rule the universe. Each action-packed episode takes our five teenaged super-heroes on thrilling adventures, as they battle Rita and her powerful forces of evil, always staying one step ahead of certain doom. The Power Rangers burst into action using out-of-this-world technology, given to them by Zordon, an interdimensional being and Rita's ageless arch enemy. This power allows them to "morph" into costumed superheros who draw their strength from the spirit of ancient dinosaurs. Once they are "morphed" these teenage titans possess super fighting powers with an arsenal of amazing weapons and dinosaur-based machinery to aid in their battles.
